Mr. Les Babb, Chairman  
Board of Selectmen, Town of Freedom  
P.O. Box 227, 33 Old Portland Road  
Freedom, NH 03836

Dear Les:

Several lake residents have reported the chain between residential Lot 42 and Alvino Road at Ossipee Lake Marina was unlocked this past weekend and the business was using the road freely for commercial traffic.

This use violates the zoning board's 2002 after the fact special exception approval for the use of a parking lot and bathroom on residential Lot 42.

Regards,

David L. Smith  
Executive Director
